**Farm Bill hypocrisy mean more subsidies for the rich, greater food insecurity for the poor**

According to the Pew Commission, the 'social fabric' of communities changes significantly when factory farms replace family farms. Lack of communication, education, and access to technology among women, particularly in developing countries, has often prevented women from receiving the same benefits and opportunities as men in the agricultural sector.

**Lawsuit filed for farmworkers fired after protesting unsafe conditions**

However, due to the high volume of correspondence that we receive, it may occasionally take a little longer. Environmental Integrity Project 2011  
So what? No doubt about it: farming was fun.

**People and poverty**

He believed in poverty and sacrifice. Elena Ortiz is not her real name; fearful of losing her job, she spoke only on condition of anonymity.

**The Editors: What we owe America's farmworkers**

A union that aimed just at raising wages and winning benefits for the members was not enough for him.

**Farm Bill hypocrisy mean more subsidies for the rich, greater food insecurity for the poor**

Agricultural workers are often one of the most disempowered groups within societies, and in many countries they lack access to basic health care, education, and participation in government.

**Farmworkers Left Behind: The Human Cost of Coffee Production**

As over 2,000 Filipino-American farm workers refused to go to work picking grapes in the valley north of Bakersfield, California, they set into

motion a chain of events that would extend over the next five years.
