Education Scotland

Scottish Government policy advocates early intervention, moving from crisis management to prevention and breaking cycles of poor outcomes in people's lives. .

Schools: School curriculum and qualifications

These three social policy frameworks recognise that children's start in life, cycles of poverty and poor health are interlinked.

Curriculum and Assessment in Scotland: National Guidelines

Scottish Group Award In Scotland, there is an equivalent programme of Scottish Group Awards.

How to become a primary teacher

It comprises a broad general education up to the end of S3 third year in secondary followed by a senior phase of learning from S4 to S6.

National Improvement Framework and Improvement Plan: 2020

Child poverty in Scotland is affected by a mix of devolved and reserved policy measures.

National Improvement Framework and Improvement Plan: 2020

State schools in Scotland follow the Scottish system, while only some independent-sector schools follow the Scottish system, with others opting for the system used in the rest of the UK and some mixing aspects of both systems. The themes will include LGBTI terminology and identities; tackling homophobia, biphobia and transphobia; prejudice in relation to the LGBTI community; and promoting awareness of the history of LGBTI equalities and movements. There are five defined levels within the Scottish educational system.

GCSEs and equivalents

Our aim is for every school and centre to develop a coherent approach to learning for sustainability that shapes their culture, curriculum and campus and connects them fully to their wider communities. It enables learners to develop and show evidence of initiative, responsibility, and independent working.

Education Scotland

Co-production changes the dynamics between individuals and communities, creating more collaborative relationships.
