Third Rome

The problem is that most of the people complaining to me about this have already bought in. Oskold and Dir, the princes of Kiof, rendered themselves masters of the whole course of the Dnieper, and it would seem that either commercial jealousy or the rapacity of ambition produced some collision with the Byzantine settlements on the northern shores of the Black Sea; but from what particular circumstances the Russians were led to make their daring attack on Constantinople is not known. It was a term that had been accorded, grudgingly, to both Charlemagne and the tsar of Bulgaria, as indicating that they were independent and lawful Christian sovereigns; but it fell short of according its bearer the dignity of the ruler and protector of all Orthodox Christians.

Moscow The Third Rome?

That is why Patriarch Nikon, supported by the Grecophile Tsar Alexis, encouraged the reform of the service-books to bring them into line with the practices of the Greek Church.
