The rest of the build tends to reflect this as well, with shorter, broader limbs that widen at their midpoints. Take advantage of sports-inspired modern looks. Body Shape 4 For Men — OVAL In a bigger guy, the center of the torso is wider than the shoulders and hips.

The Best Dress for My Body Type

Ideally, you want to know your silhouette before you start delving into the shopping part although that bit is super fun.

The Best Dress for My Body Type

Even though I try to give styling advice based on the 5 most common body types, each individual has a different body, so, use my advice selectively and do what works for you! If you want to, you can also think about wearing a longer layer under a shorter jacket. Wrap dresses and A-line skirts usually look good on me too. You can choose a solid color maxi skirt for a classic look, or go with a pattern to make your outfit stand out.
