Clifford Dowdey was born in Richmond, Virginia January 23, 1904 and died there May 30, 1979. This goes far beyond most accounts which only talk about what happened. Probably the greatest American General ever.

**Lee**

His description of Lees generalship and military prowess was great. Dowdey points out the failures and weaknesses of all the generals.

**Lee**

In the years before the war, the Arlington estate sat like an American Acropolis towering above Washington.
