Ep 4: Transformation and healing through birth stories

Each child tries to be the dominant child in the family so naturally there is a large degree of conflict, as they grow older. Countless academic studies say your place in the family is such a strong factor in developing your personality that it can have a major influence on the rest of your life. I realized that many of my patients who were successful in delivering naturally all had two things in common: CONFIDENCE AND SUPPORT! In a family with many children, this could create birth order subgroups.
