### Off the Beaten Path: 12 Unusual Things to Do in New York · Nomadbiba

Inspired by music and culture, this unique brand features high quality materials, earth-inspired leathers, and great attention to details.

### USA off the beaten track: 15 hidden gems in USA you didn't know about

Around the lake are vineyards, olive groves, sunflower fields and woodland, with gently rolling hills forming the backdrop.

### Off The Beaten Path, Active Outdoor Journeys

Planning a trip to Italy? The events take place every Saturday in July and August. Another reason to visit this marvelous place is the fact that the entrance is free of charge, as the last wish of Charles Perkins, the owner of the land, was the property to remain open to the public forever. Our places are unique, private and secluded and provide unforgettable memories from the moment you leave your house and come to one of ours.

### Off the Beaten Path: 12 Unusual Things to Do in New York · Nomadbiba

Let us help you find your way to the heart of the place this year, Off the Beaten Path.

### Hidden gems in Italy

The origin seems obvious, since a much-used route would indeed be flattened by the tramp of many feet. The town is a favorite with those who want to discover Italy off the beaten path — as well as its impressive range of restaurants. The museum is closed on Tuesdays and Wednesdays.

### Off the beaten track

Do you know of some other hidden gems in USA you think we could add to this list? Keep in mind that almost all events are for people 21 years and older. Forming part of a national park, the Gargano coast offers visitors opportunities to enjoy culture, nature, history and a seaside lifestyle.

### Off the beaten track

With its Burning Manesque vibes, full-on psychedelic decor, and amazing acrobatic shows; this fantastic club offers you a place to dance your heart out, lose your inhibitions and enjoy a wild night out. Color Factory This collaborative art experience is located in Soho and features 16 interactive, colorful art installations. This wonder of nature thunders over a lava cliff in the eastern base of Mount Hood.

### **Authentic Accommodation New Zealand**

Santa Severina Santa Severina is positioned between the Ionian Sea and the mountainous Sila region in Calabria southern Italy. In 1975, the Landmarks Preservation Commission took interest in the decrepit structure and declared it a city landmark.
