### TSPDT

The foundation provides a framework to bring together his cinematic, photographic, artistic and literary works in his native country and to make it permanently accessible to the public. The 1977 film, The American Friend, starring actor Dennis Hopper, marked the cinematic turning point in which Wenders began to shoot in dreamy, lonely landscapes in the US.

### TSPDT

What story there is follows a shiftless photographer played by Rüdiger Volger, whose assignment is to find some sort of meaning in the dead-end margins of middle America. He didn't want to integrate himself into the Hollywood system and considered himself an artist more than a commissioned director.

### Wim Wenders: Desperado (2020)
