AARL

For current Australian residents, or even North Americans who have lived or travelled in Australia, this journal provides its authors with a large and knowledgeable audience. Audience location and language or cultural considerations: The majority of readers are Australian and the content reflects this.

Australian academic and research libraries : AARL. (Journal, magazine, 1970) [metrics.learnindialearn.in]

Notes Edited by: Judith Bundy and Alan Bundy Life Dates 4th ed.

Australian Academic and Research Libraries (AARL)

Representing more than 9,000 individuals and libraries, the Association of College and Research Libraries ACRL, the largest division of the American Library Association, develops programs, products, and services to help those working in academic and research libraries learn, innovate, and lead within the academic community. The set of journals have been ranked according to their SJR and divided into four equal groups, four quartiles.
