## East Germany

Further, films representing or glorifying what the state viewed as capitalist ideology were not bought. Under this new law, the notice was only lawful where the landlord proved justified personal interest in the apartment.

## Cold War

At the onset of the Cold War, Europe was divided between the Western and Eastern blocs. The intergovernmental conferences leading to the Maastricht Treaty took place in the warm afterglow of German unification. In the period following World War II, approximately half of the railway lines were removed in East Berlin.

## alliance

The industry is a key component of the city's economic make-up with more than 10% of all Berlin residents employed in cultural sectors.

## How Germany Was Divided: A History of Partition Plans

As a staunch supporter of European integration, Chancellor Helmut Kohl endorsed the Delors Plan and supported calls for an intergovernmental conference to determine the treaty revisions necessary to achieve Economic and Monetary Union.

## The Berlin Wall, Fifty Years Ago

Whereas the USSR believed in the distribution of goods through communism, the US believed in the power of the market through capitalism.

## German Reunification at 30: Still Struggling to Shed History

At the same time, high wages for skilled workers, generous conditions, and a liberal welfare system drove up the cost of German labor and, by definition, German products. S Marine Corps, Department of the Navy. By a decree of the Federal Minister for Labour and Social Order, the Federal Institute for Industrial Protection became the Federal Agency for Industrial Protection and Accident Research.
