What Horror Movie Villains Look Like In Real Life

Genuinely scary, surprisingly gory, and always served with a good dollop of self-aware humor, American Horror Story is a contemporary genre classic. RELATED: Silent as the grave, Michael needs no words of introduction to terrify audiences.

7 Sexy Female Horror Monsters That Will Steal Your Heart (Literally)

However, these Necromorphs are very violent and will continually attack Isaac. It follows a group of housemates embarking on a new season of the classic reality show as the world outside is falling apart due to an unexpected outbreak of the dead coming back to life. Mears, who stands at 6 feet 5 inches tall, is considered by some fans to be the best actor to ever wear the mask.

Every Monster In Dead Space Ranked From Least To Most Scary

Part of why the movie did so well was the ultra-creepy villain, Pennywise the Dancing Clown, played perfectly by Swedish actor Bill Skarsgard.

What Horror Movie Villains Look Like In Real Life

One day, Lilja falls in love with Andrej, who is going to Sweden, and invites Lilja to come along and start a new life. Mane recently told Entertainment Weekly that wearing the mask for the first time was bizarre. What makes these enhanced Necromorphs so terrifying is that they attack with such a relentless and ferocious pattern.
