Introduction to Raya Ramananda Samvada

Di sini, drama penculikan Shinta oleh Rahwana pun dimulai. Neither should we try to merge with Krsna, nor should we try to do anything for becoming happy by sense gratification in this world, which is temporary. When your chanting of the holy name becomes pure, when the holy name you chant is actually the name of God Himself and not an offence to the holy name or a semblance of the name, when that name becomes transcendental, then you will realize all truths.
