25 Easy Houseplants

More suited for terrariums and conservatories. Growing Conditions: Low to medium light; 60-75°F; allow the soil surface to dry between waterings Size: To 1 foot tall and wide Note: This plant is poisonous if eaten or chewed on by dogs or cats.

23 Easy Houseplants to Grow

You'll often see them in a shopping mall or airport plantings because they are so adaptable and durable, yet attractive. You can also find some varieties that have white or yellow variegation on their leaves.

25 Easy Houseplants

Some will even remove other volatile organic compounds.

18 Best Indoor Trees

It should be kept in low to bright indirect sunlight, watered regularly, and misted once a week, but it can tolerate low light every now and then. Snake plants and ferns can live in very low-light environments, and moss terrariums or jade will do just fine in a drafty room during the winter.

The 6 Best Indoor Plants of 2021

The bulbous trunk and long, strappy leaves of this plant make it visually appealing, especially in contemporary settings. In addition to that, house plants generally need a steady temperature to successfully grow in.

All Indoor Plants

Conveniently order one or several online and have it shipped directly to your door! This dark green plant with tall, upright variegated leaves will do well in many home environments. Errors will be corrected where discovered, and Lowe's reserves the right to revoke any stated offer and to correct any errors, inaccuracies or omissions including after an order has been submitted. Indoor plants add lush, natural beauty to living spaces

while asking little in return.

23 Easy Houseplants to Grow

Some corn plants have plain green leaves, but some varieties like 'Warneckii' offer white, cream, gold, or chartreuse stripes on their foliage. This institution is an equal opportunity provider. Get more plant inspiration and care tips below from horticultural experts, but if you're looking for true no-maintenance foliage, check out the.
