· Richard John Lynn, trans. Cheaper than making students buy all three individually. That cosmology provides good reason to assert that water.

## Confucius, The Essential Analects: Selected Passages with Traditional Commentary

Very good, scholarly translation with many notes. Hsia offers a clear and concise overview of the key figures in this crucial episode of intercultural encounter: the first intellectual and cultural meeting of Europeans and Chinese. This volume is a welcome addition to our resources on early drama and the Three Kingdoms story cycle alike, and will no doubt continue to inspire lively class discussions and productive research for some time to come.

## Essential Mengzi: Selected Passages with Traditional Commentary by Mencius

Appendixes on hermeneutics, Chinese language, and the Kongzi are very useful.
