## Department of Health

Psychometric Testing: Currently undergoing reliability and validity testing Summary: The Consumer survey assesses participation, barriers to participation, as well as self-reported outcomes in the areas of physical and mental health, social functioning, and volunteer activities.

## Department of Health

States that have adopted the Uniform Probate Code are shown at:

## Residential Care Apartment Complexes (RCACs)

For example, some state laws protect the family home in an estate from some or all claims against it, including Medicaid claims. These analyses were conducted in the context of a larger prospective study.

## Medicaid Estate Recovery

The rho coefficients  $r_s$  for the dimensions included in Team Processes ranged from 0. Psychometric Testing: Survey was developed after a series of focus groups and items were piloted and tested for content validity.
