Judges, for it is the Lord's College and he will take care of it. Burlingame was a potent factor in securing State constitutional prohibition for 1884—1887.

## Emeline S. Burlingame

Burlingame was not only made a member but one of its vice-presidents. More information can be found at. Cheney always remembered with interest the day when the Committee walked across sand and marsh, up to the beautiful pine grove, at the entrance to which the temple was to be located, and all kneeled with bared heads while Rev.

Through all the years she has been keenly interested in these two reform movements, and has lived to see both realized nationwide. Women continued until that time to be members of the Executive Board, and were always shown most courteous consideration by President Cheney and his associates. In 1884, she was elected president of the Union and devoted the next seven years to speaking and planning in its interest.

Heard the clock strike every hour.

**The story of the life and work of Oren B. Cheney (1907 edition)**

In this movement he had met with sharp opposition from many who were the firm friends of the College, but who felt that the campus was already large enough. College Extension in the form of summer meetings, lectures and schools, was then in its infancy. For many years, their interests had been identical in Christian and reformatory work.
