Combining the measures of ideology and populist views results in seven analytical groups: Left Populists, Left Mainstream, Center Populists, Center Mainstream, Right Populists, Right Mainstream and the Unaligned.

Western Europe: People Favor Political Parties Based on Ideological Beliefs

We therefore encourage prospective authors to contact the editors with any questions they may have about potential submissions. Although our traditional focus has been on European affairs and the development of the discipline, we are always on the lookout for work that compares politics in Europe with other continents and countries, and more general work on other regions that would be of interest to European political scientists our main readership.

SAGE Books

She will be greatly missed and our thoughts are with her family and close friends. As editors, we are extremely grateful to the authors who publish in EPS, to our reviewers for the significant contribution to the work of the journal, our Editorial Board members valuable participation and to the support that we receive from the wider editorial team.

West European Government and Politics

More important, ever more scholars seemed ready to subscribe to the view that international politics rather than international organization constituted the core of a slowly maturing discipline. Classic statement on the interdependences of social, political, and civil rights.
