Eddie and Gardenia by Carolyn Haywood

~ ThriftBooks: Read More, Spend Less. Eddie loves his goat, Gardenia, but when she chews the roof off of Father's new car, there's no way she can keep living with the family in their suburban neighborhood. Ex-Library copy with typical library marks and stamps.

THE EDDIE SERIES By CAROLYN HAYWOOD

ANNIE PAT AND EDDIE -- illustrated by author.

Eddie and Gardenia by Carolyn Haywood

That's what life was in the country.

Eddie & Gardenia By Carolyn Haywood

This story would also serve as a good primer for young readers as far as introducing them to ranching terminology and lifestyle customs. In Texas, Eddie receives lessons from his aunt, pals around with his cousin, learns some Spanish from a Mexican ranch hand, and even proves himself to be a true cowboy worthy of his very own spurs. The dust jacket is missing.

Eddie & Gardenia By Carolyn Haywood

At ThriftBooks, our motto is: Read More, Spend Less. Uncle Ed happily agrees- and he invites Eddie to the ranch for a few weeks to learn how to be a cowboy.

Eddie and Gardenia by Haywood, Carolyn

Eddie is an upbeat, well-behaved character, whose heart is always in the right place, and whose attitude is one of hopeful excitement. His adventures are exciting, especially to kids who have never visited a ranch, but they are also totally plausible.

Read

It's a charming story full of humor and love of family and nature, just the sweet journeys of Gardenia trying to live her best goat life.

Eddie and Gardenia by Haywood, Carolyn

Even without the book in front of me, I can envision much of what happened to Eddie, almost as though I were there. Nothing happens to Eddie that couldn't conceivably happen to any child in his same situation. This book along with several others in the series were read to me in 2nd grade.
