H

The journey reveals the transition from a forest people in the 18th century to a farming community in the 19th. Good farms can be bought here near the line of the railroad from 8 to 12 dollars per acre.

Dairy industry in the United States

That Virginia will be my burial place. News articles on western events were published beside those that attempted to stem the flood by extolling the virtues of Vermont.

From Sugar Camps to Star Barns : Sally A. McMurry : 9780271021089

There are even some early photographs. Families who could afford bigger, better dwellings didn't build them for several reasons, including a Pennsylvania German preference for putting their money into land, livestock and tools. The Social Organization of Factory Work: Cheesemaking Becomes Men's Work -- 8.

From Sugar Camps to Star Barns: Rural Life and Landscape in a Western Pennsylvania Community By Sally A. McMurry

Here work and living, the worlds of men, women and children, and the concerns of family and community were not separate but intertwined.

McMurry: Transforming Rural Life: Dairying Families and Agricultural Change, 1820

Male community bonds dissolved as labor moved to a cash basis. Illustrated with over 100 photographs, maps, drawings, and diagrams, From Sugar Camps to Star Barns demonstrates how much we can learn about the economy and culture of a particular place simply by being attentive to the built landscape.
