## How Would Millions of Guest Workers Impact Working Americans and Americans Seeking Employment?

This stipulation was substantially renewed by the treaty of 1815, article first. If the alien chooses to remain on board and to depart with the ship or in any other vessel, the captain is not required to pay the money. The Cristero rebellion of the late 1920s was the last major armed conflict in Mexico and was centered in the states of west-central Mexico; partly to prevent further trouble, the newly consolidated Mexican regime adopted a policy of encouraging emigration from these very states.

## Immigration and the Commissioners of Emigration of the state of New York

Besides the workhouses, local landlords also paid the passage for their destitute tenants, assisting 50,000 to 100,000 persons to cross the Atlantic. For example, even though federal legislation should help students achieve the same long-term outcome of getting a good job, these laws have different purposes, are on different timelines, and the funds they provide can be used in a wide variety of ways.

## APPENDIX B ADDITIONAL RESOURCES, Planning Guide for Maintaining School Facilities

These were all emigrants; and we must add to these the cases of the same disease, of the same people, which were treated in the large hospitals at Flatbush, Ward's Island, and Bellevue, at the City Hospital, and at other places throughout this State and the States immediately adjoining, nearly all of whom arrived at the port of New York alone.

## APPENDIX B ADDITIONAL RESOURCES, Planning Guide for Maintaining School Facilities

These figures do not, of course, show how often the immigrants represented have been in the United States ; for although this information appears

to some extent upon the manifests, it is not tabulated in the official reports. HISTORICAL INTRODUCTION—LAW OF EMIGRATION—  
THE UNITED STATES THE FAVORITE LAND OF THE EMIGRANT.
