## Nazis Go Underground

Some of the leading figures in the Nazi economy became leading builders of the European Union. During World War 2, there was a massive race between the Allies and Axis powers to innovate new ways of killing each other. The SS and auxiliary units were particularly brutal.

## Resisting the Nazis: Unknown Stories

The surveys covered more territory than the German homeland at the time. Author Curt Riess saw it as it was unfolding, and had sorted out the espionage networks that the Nazis would use to move their operations around the globe. Reports have also trickled in of murky connections between the German intelligence service and neo-Nazis.

## Resisting the Nazis: Unknown Stories

Rheinmetall is a huge armaments manufacturer.

## The Nazis Go Underground by Curt Riess, Fonthill Media

After 63 days of savage fighting the city was reduced to rubble, and the reprisals were savage. We were dealing with cancerous tumors in our society that you had to cut out like a surgeon. State Repression With the rise of the Nazis to power in 1933, this conservative backlash was replaced with state repression.

## Inside Adolf Hitler's secret underground tunnels where Nazis tested new weapons in the final days of World War 2

After receiving tip-offs, German prosecutors were recently granted access to secret files in Brazil and Chile that confirmed the true number of Third Reich immigrants.
