IBM Trusteer Rapport

Being empathic will help to achieve this. Demonstrate that you can understand how the other person feels and can see things from their point of view.

Trusteer

It is important to use appropriate body language. As a skill, it means that you can build relationships faster, and improve communication more rapidly. Try to maintain eye contact for approximately 60% of the time.

Trusteer

This in turn can make you sound more stressed.

Rapport Synonyms, Rapport Antonyms

Reflecting back and clarifying what has been said are useful tactics for repeating what has been communicated by the other person.
