Major Religions of Canada

Nuu-chah-nulth whaling canoes were large enough for a crew of eight and the harpooner, who was armed with a harpoon of yew wood about four metres long and sat directly behind the prow. Imagine that you are sitting in a theatre, watching a film. After World War II the rising tide of democratic among the colonial peoples of and led to the breakup of empires established by European conquerors, sometimes in areas of enormous ethnic complexity, without regard to ethnic considerations.

First Nations in Canada

What effect does it have on our culture? In contrast to subcultures, which operate relatively smoothly within the larger society, countercultures might actively defy larger society by developing their own set of rules and norms to live by, sometimes even creating communities that operate outside of greater society. Chicago: University of Chicago Press.

Ethnic origins of people in Canada

It was amended nearly every year between 1876 and 1927.

The Arrival of Displaced Persons in Canada, 1945

Religion Unlike the United States, where 51 percent of the population identifies as Protestant Christian, according to the 2007 CIA World Fact Book, Canada has no majority religion. A society is a group of people sharing a community and culture. A pre-rational collective consciousness emerges that provides the basis for group solidarity or a moral sense of group togetherness.

Census in Brief: Ethnic and cultural origins of Canadians: Portrait of a rich heritage

The result was a proliferation of national states, some of which experienced local conflicts with ethnic-related causes.
