### Editorial: Could one Kansan decide which party controls Senate?

Among the largest are Clinton Reservoir near Lawrence, Milford Reservoir west of , and Wilson Reservoir in roughly the centre of the state. The modified aircraft were known as Conrad Ten-Twos, as the maximum takeoff weight MTOW was increased to 10,200 lb 4,600 kg. But he said the Public Safety Office which oversees all police and security operations on campus is making preparations to ensure University community members stay safe.

### Kansas City Kansan: CANDIDATE QUESTIONNAIRE: Hal Walker, UG At

John has yet to recover from his numerous wounds in the hospital while Steve Barat has been extradited and awaits his punishment. There are a few places like Flint Hills and Smoky Hills that add a little bit of texture to the state and are definitely worth checking out.
