Nelegālā narkotiku tirdzniecība radās 19. Detail from the building at 2, Smiļšu Street The most characteristic feature of Pēkšēns creative work, is the respective reserve and deep logic of architectural forms arising out of the Art Nouveau artistic principle, namely, the beauty of a building should not depend on outside applications, but derive from a practical and utilitarian layout. In this style he reached the level of real professional virtuosity.
