9 Best Ontario Winter Cottage Getaways

In 2014 Ontario closed its last coal-fired power plants, resulting in improved air quality.

5 Recommended Places To Access Ontario's Shore Fishing

The festival also features plenty of activities for the kids such as face painting, train rides, ice skating and even a petting zoo.

Ontario Winter Forecast 2020 Predicts A Colder Than Normal Season & A Delayed Spring

This is one time of the year when casting can become a great option either from the shore or from a boat. The snowmobile route takes you through some untouched landscapes giving you the chance to witness the magical winter forest in your own time. This can result in fewer hook sets.

The beaver in winter

The idea is to stroll for at least a half an hour without a major detour from the lake. Before heading out on a trail, be sure to check out any safety information related to hiking along the Escarpment. We had a total of over 50 cm in the first 2 weeks of November.
