For example, sidewalks may be impassable due to snow or ice, piles of yard debris during landscaping, or equipment in place for a campus event. We encourage students with disabilities to contact us to discuss supports and services to enable full participation in all learning activities at Griffith. These may delay students or may present such a barrier that a student may need to participate remotely.

Article

The FSD is one of the main funding sources supporting participation by students with disabilities in approved further and higher education courses in Ireland.

Students with Disabilities

This is a serious concern, and one that colleges and universities must address head-on. Department of Education Rulings While little case law exists in the US, the position of the Department of Education and the Department of Justice are that Americans with Disabilities Act and the Rehabilitation Act of 1973 do apply to web based business, Higher Education institutions, and distance education.
