He then asks Cebes to convey to Evenus his farewell, and to tell him that—even though it would be wrong to take his own life—he, like any philosopher, should be prepared to follow Socrates to his death.

Phono

The last topic of discussion between Socrates and Lysias addresses the technology of writing.

Phaedrus (fabulist)

The previous speech was related to the son of Pythocles from Myrrhinus. Thus the two terms of love and madness re-emerge at this point in the dialogue. What we do now The London Console developed into a series of products called ; each a model derived from a part of the original console.

Best Phaedrus Quotes

In his second speech Socrates proposes to tell the truth about love.
