**(Warnock Report) (Hansard, 23 November 1984)**

The Warnock committee's view on that issue was basically that surrogacy is, in general, undesirable on moral and social grounds and that where any commercial element is involved it is simply unacceptable.

### **A Question of Life: The Warnock Report on Human Fertilisation and Embryology**

After detailing the early development of the embryo, the Warnock Report suggests that the question of the moral status of a developing embryo is pressing and obvious.

### **The Report of the Committee of Inquiry into Human Fertilisation and Embryology (1984), by Mary Warnock and the Committee of Inquiry into Human Fertilisation and Embryology**

The report recommends that a procedure called lavage, whereby a donated would be fertilized in the donating woman by AI and then flushed out several days later to be collected and implanted in the recipient woman, should not be approved in the mid 1980s, but that it should be considered further as researchers developed the technique. Braine , and on the day following the birth of the Oldham baby, I initiated a debate in Committee considering the genetic manipulation regulations in which I put forward a demand for a committee such as the Warnock committee.

### **Human Fertilisation and Embryology Act (1990)**

May contain limited notes, underlining or highlighting that does affect the text. Does he agree that those children should be permitted to be adopted by people who cannot have their own children?  
SPEAKER interrupted the proceedings, pursuant to Standing Order No.

### **Human Fertilisation and Embryology Act (1990)**

Committee of Inquiry into Human Fertilisation and Embryology; Human Fertilisation and Embryology Act 1990; Literature. I have been privileged to be a Member for almost 35 years, and never in all that time have I approached any subject with a greater sense of fear than this.
