American election campaigns in the 19th century

Party Ideologies in America, 1828—1996 1998. When Congress tried to ban labor union contributions to candidates through the Smith-Connally and Taft-Hartley Acts of the mid-1940s, the unions responded by creating PACs. Both parties set up campaign clubs, such as the where young men paraded in torchlight processions wearing special uniforms and holding colorful banners.

George W. Bush: Campaigns and Elections

Both voter suppression and expansion impact election results.

American election campaigns in the 19th century

Grand Old Party: A History of the Republicans Random House, 2003. The democracy defenders launched a full-court press. It decided that the votes should stand as counted and the for the state were awarded to.

Election Administration at State and Local Levels

In New York, vote counting took more than a month. Two months ahead of the presidential election, Southern white Democrats started terrorizing Republican opponents who appeared poised to secure victory at the polls. General Elections Major party candidates face each other and any other candidates in the general.
