Retention of police officers : a study of resignations and transfers in ten forces (Book, 2004) [metrics.learnindialearn.in]

These two characteristics of the police labour market imply that standard analyses of employee retirement in other occupations are less pertinent to police officers. However, anomie refers not only to the subjective feeling of concern; it is also meant to implicate a particular set of structural conditions that produced that subjective feeling. Victoria Police selection panel members will be looking for applicants who demonstrate behaviours consistent with our organisational values.
