Thirst for

There a I find it harder to critique books for middle readers than for picture books or young adult.

Urban Dictionary: Thirst

To view it, Teenager Karanda and eight year old Solomon have exhausted the supply of foster homes in the town they currently live and are travelling with their carer Paul, just before Christmas, to new foster homes in Alice Springs.

Why Am I So Thirsty?

But he craves human contact - and Karanda is all he has left. Jesus is the very person to whom the Hebrew Scriptures continually point. Jesus also thirsted just as much as we thirst.

Thirst synonyms, thirst antonyms

Who doesn't love cute possums? Jesus takes the suffering of humankind upon himself in order to be the way of redemption. The story starts with a drive to Alice Springs, Paul is driving Karanda and Solomon to new foster homes. This uses up more of the water in your body.
