High school provides many opportunities, but it is up to you to take advantage of them. Your chosen college, , can be a good choice for pursuing a BBA+MBA. And do not include the name of a different college or university in your response! It is up to you to keep track of everything else.

College Admissions

To get a true feel for the school, take some time to talk to college students and explore, using a as your guide. While academic merit remains a top consideration, intangible factors can also play a crucial role. For example, if math was your lowest score, spend time reviewing for that portion of the test.

College Navigator

You can also attend an information session. Without taking both tests, a student does not know whether they will perform better on one or the other, so I recommend taking both. Don't submit your transcripts to UC at this point, but refer to them as you fill out the application to ensure the information you enter is accurate.

College Navigator

Admissions will be done on the basis of this list. Their applications have a limited time in front of an admissions committee, which reads through hundreds of applications. A campus may ask for them later as part of a supplemental review, so be sure to check your email.

The big guide : UCAS university & college entrance, the official guide

In addition to the few dozen schools that require formal interviews, others offer them as optional components. Learn more about how you can proactively , along with tips to improve your candidacy.

College admissions

. Abhinav Chamoli, CollegeDekho Expert You can definitely pursue a course while also preparing for.
