After the Wall: the strange story of German reunification

He wanted the British to fire 'warmonger' Winston Churchill as prime minister, accept Nazi domination of Europe and make peace with Germany. According to the official data, Russia's Sputnik V vaccine has 91. For almost half a century after World War II the Stalinists had ruled Eastern Europe with an iron hand.

Criticising the EU is “dangerous”

The Yamal pipeline, born at the height of the Cold War, was fiercely fought by President Ronald Reagan. Gorbachev : Comrade Mozhaev, I offer you my hand.

Wiesel Asks Gorbachev to Clear Names of Murded Yiddish Poets

The Specter of Alexander Herzen: Peasant Commune and Russian Socialism Gorbachev's elliptical equivocations notwithstanding, it would be too simplistic to paint him as a political opportunist, who has taken advantage of his party career merely for personal or some other unworthy aim. The socialist choice does not quite fit with the Marxism scheme either, substituting for the virile dialectic of class struggle, the nambypamby notions of contingency and choice, implying that the people, having decided one way in 1917, may yet change their mind and make a different selection.

Mixed feelings for East Germans as 30th anniversary passes

Firstly, in the Crimea, there was a referendum that very clearly defined the will of its citizens.
