The Wreck of the Hesperus

As they were passing through a grove of small trees, they heard a great fluttering over their heads and a feeble chirping in the grass by the roadside.

A Holiday Safety Poem

And those old-fashioned daisies Delight the soul of man; They're here, and this their praise is: They work the Master's plan. She opened the main door, a very green door with its top and bottom bolts and black-painted handle ring. Robert Kelly invention, also known as American haiku.

Accidents Quotes (74 quotes)

Funny things happen when you close your eyes, lines from A to B are never completely straight.

Recent Accidents in Tennessee

Only a little higher than apes.

Claudia Rankine

Welsh form that offers variability and rigidity simultaneously. Tell Him of the work accomplished, Ask His help to do the rest; He can smooth the path before you, If you only do your best.

Quotes and Poems About Death, Grieving, and Healing

You were everything I could get my hands on- A full-tilt action-packed kaleidoscope jungle with blender tongue and volcano heart.
