### Foreign Bank Publications List

The United Nations Statistics Division UNSD of the Department of Economic and Social Affairs DESA launched a new internet based data service for the global user community. Where possible, the databases are linked directly to a selection screen to allow users to select the countries, indicators, and years they would like to search.

### UNSD — Welcome to UNSD

Greek Production and Exports in Figures. From the INE we request the collaboration of our informants in order to maintain the scheduled production of the statistics, which will allow us to continue to monitor consistently, even under these circumstances, the demographic and social characteristics of the Spanish population as well as the economic activity of our country.

### Norway Yearbook
