Indian, Pakistani and Chinese border disputes

China-controlled Shaksgam and Aksai Chin border the India-controlled area disputed by Pakistan.

Review: The China India Border on JSTOR

So it was never about lack of finances but about improper allocation of financial resources. We should remember to look east as well.

Indian, Pakistani and Chinese border disputes

The task force, after receiving specific instructions while travelling, arranged the tasks of each detachment while advancing quickly. However, India claimed that the intent of the treaty was to follow the main watershed ridge divide of the Himalayas based on memos from McMahon and the fact that over 90% of the McMahon Line does in fact follow the main watershed ridge divide of the Himalayas.

India

The PLA engaged in a show of strength on the morning of June 16 by bringing in more armoured personnel carriers to the nearest road head to intimidate their Indian counterparts.
