A Brief Guide to Comic Book Art Styles

Litsa Spathi and Rund Jansen of the Fluxus Heidelberg Center in the Netherlands have an online archive of fluxus publications and fluxus weblinks. Printed by Mourlot Frères and Draeger Frères.

Artists' Books

The single artist doing all of the functions? With photo books, the people are graphic artists who want to get their books out into the world in a different way. This page is mostly for scholars looking for help in their research, but in-person activities, workshops, and experiences can be found on our page.

Inside book production: A Perfect Chemistry

In 1996, the Art ex Libris documentary was included in an auction at to benefit the in New York City. I get people here—fine artists, graphic artists, architectural students, advertising people, binders, and people interested in typography and design. Artists' books may be created in order to make art accessible to people outside of the formal contexts of galleries or museums.

Artist's book

On this page, you will find multiple formal definitions of artists' books, sources from the Pratt Libraries for researching artists' books, and a video explaining some of the finer details of the discipline.

Art of the Book

Leave your hopes and fears. Marinetti visited in 1914, proselytizing on behalf of Futurist principles of speed, danger and cacophony.

A Brief Guide to Comic Book Art Styles

Maybe the subject is too esoteric to get a publisher to take it on.

Artwork for DTG Printing Book

This was partially as a way to gain publicity within an increasing print-dominated world, but also as a strategy to bypass traditional gallery systems, disseminate ideas and to create affordable work that might theoretically be seen by people who would not otherwise enter art galleries. A gallery display can offer only a hint of that experience, but digital media can provide a partial solution by offering multiple page spreads, contextualizing material, and even representations of the entire contents of books online. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag.

Artists' Books

Artists have been active in printing and book production for centuries, but the artist book is primarily a late 20th century art form.
