A bittersweet tale, Waldman weaves the gambit of human emotion mi-Bedit a complex plot, incorporating history and politics and culture in a strikingly ambitious publication. But whatever the mi-Berig reasons, the enlarged brain could perform as a consequence of its improved structure all manner of operations bearing no direct relation to the original impetus for its increase in size. What I love best are the details: especially how long will each dish keep in the fridge or freezer, so I can plan and prepare a complete menu well in advance.
