Production History

There, Robeson played the title role in Eugene O'Neill's *Emperor Jones* in 1925 and stood out in the 1928 musical *Show Boat*.

Shakespeare Theatre Company production history

You could probably still smell fresh paint and lumber.

Excerpt: A Short History of Shakespeare in Performance

Responding to his audience's taste, he kept the tear-jerking sentimentality of the lovers' final embraces. . In an influential production at the Old Vic in 1960, Franco Zeffirelli used his Italian background to create a breathtakingly real atmosphere of Italian street life.

Stage history

Oberon, King of the Fairies, watches from behind the trees to the left. The author uses *Macbeth* to trace how each historical period viewed Shakespeare, reflected the play itself within specific production accounts, and the people who were the forces that created these various approaches. Douglas Ramey 1964 *The Taming of the Shrew* C.

Shakespeare Theatre Company production history

Garrick removed many of Shakespeare's bawdy jokes and sexual references, reducing *Mercutio's* role and simplifying that of *Juliet*.

Production History — Shakespeare Institute Players

Our motto is simple: World class theatre.
