70 black

West Walnut Street from 6th to 13th Streets was a business, social, and cultural gathering place for African Americans. Businesses with existing lender relationships were more likely to get help from the federal Payroll Protection Program quickly, according to the Center for Responsible Lending — a benchmark that Black-owned businesses are less likely to meet.

Here's a List of Black

While taking various jobs in the service industry, she started a side clothing business called Tomboy Empress in 2015. Sweet Peaches is a staple in the Russell neighborhood of Louisville, pulling in customers from around the city.

“Old Walnut Street” & African American Businesses

However, the area was well known for the entertainment, including several theaters, nightclubs, and other gathering places. By June, Powers had sold her first jar, and by October, she had a permanent stall at the Logan Street Market, selling her preserves but also soups and baked goods.

Black History Month: 50+ Louisville Black

You see what it is when you leave. Louisville, Kentucky is said to be the bourbon capital of the world, but it is also home to dozens of Black-owned restaurants and businesses. And spending dollars with those businesses, according to the president of Louisville's Noir Black Chamber of Commerce, has a ripple effect.
