## Antiqua Print Gallery

Globe Imports has been an industry leader since 1988! There is a huge range of techniques associated with the art of printmaking, including engraving, etching, woodcut, and lithography. Anonymous I have what I thought was an original picture signed C. I have noticed the wide range of plate sizes for The Melton Breakfast prints I have seen listed for sale.

## Antique Botanical Prints

I'd really appreciate your advise. E Very Poor Significant Damage We would only stock an item in this condition if it was either very old or very rare indeed ideally both.

## Antique Botanical Prints & Antique Flower Prints

I have found some copper plates and I have no clue if this is an interesting find or not: I very recently purchased 3 copper engraved plates in a local thrift shop in Belgium. Most artists sign the prints in the margin in pen or pencil. The two main things you can do to protect your print include keeping it away from direct sunlight, and storing it in a well-ventilated space and away from any moisture or moisture-ridden spaces like a basement.

I want to know if what I have is original, or from a reproduction series.

I guess I was wondering has any value or just worthless. Gale treats these as separate very small folios as 1252 and 5142.

### **Collectors Prints**

There are so many different editions, not to mention reproductions, and this is a great source to figure that out.
