Invitation to Philosophy: Issues and Options by Stanley M. Honer

In an introduction to philosophy course you generally have two ways to go about learning: 1 Move through philosophy historically or 2 Move through philosophy topically. Using an issues-and-options approach, in a handbook format, this text deals with each major topic in philosophy by using a succinct, relevant, and readable presentation and critique of the representative options e.

Invitation to Philosophy : Issues and Options by Thomas C. Hunt, Stanley M. Honer and Dennis L. Okholm (2001, Trade Paperback) for sale online

INVITATION TO PHILOSOPHY: ISSUES AND OPTIONS walks you through each major topic in philosophy using language you can understand, shows you how it's all connected, and manages to be entertaining at the same time. In the late 1980's Jackson Community College Jackson, Michigan required this book as one of two texts for their introductory philosophy course. The continuum proved to be an excellent

heuristic device.

Invitation to Philosophy: Issues and Options by Stanley M. Honer

The options found on the continuum are discussed and followed by a case study drawn from contemporary life that helps students to apply the options. A continuum helps students see the options available to answer a variety of basic questions and the relationship each option has to the others.
