Know Your Rights Guide: Chapter 1

Many caseworkers assume that such focused attention would not be possible for foster parents taking in sibling groups. Elstein, Making Decisions about Siblings in the Child Welfare System, 18 Practice: Helping Lawyers Help Kids 97, 104 1999. If they have been apart, were they placed close enough to maintain contact through school, church, or otherwise? Research suggests that separating siblings may make it difficult for them to begin a healing process, make attachments, and develop a healthy self-image McNamara, 1990.

National Center for Youth Law

They tell us that continued contact with their family has a positive impact on how they see themselves, and their sense of self value and identity.
