## Totalization Agreements

Agreement on Implementation of Article VI Anti-dumping Article VI of the GATT provides for the right of contracting parties to apply anti-dumping measures, i. Who are the parties to a MAP? Commercial courts recognize and enforce foreign arbitrations awards. Canada and the United States operate an integrated electricity grid under jointly developed reliability standards.

## Tax treaties

Mission is not aware of any Moroccan government requirement that foreign IT companies should provide surveillance or backdoor access to their source-code or systems. Domestic arbitration awards are also enforceable subject to an enforcement order issued by the President of the Commercial Court, who verifies that no elements of the award violate public order or the defense rights of the parties. The plan runs through 2020.

## Final Text of the Safe Third Country Agreement

Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State.

## 19 CFR § 12.104g

Law 18-95 of October 1995, constituting the Investment Charter , which can be found online at , is the principal Moroccan text governing investment and applies to both domestic and foreign investment direct and portfolio. As the entrance and exit routes are separated, the safety distance will have to be respected in case of waiting.

## U.S. Relations With Canada

Notification provisions applying to local government and non-governmental bodies are elaborated in more detail than in the Tokyo Round agreement. Performance and Data Localization Requirements The Moroccan government views foreign investment as an important vehicle for

creating local employment.
