Naturalism vs. Supernaturalism: How to Survive the Culture Wars

If the author makes this claim, he must back it up with proof and as we agree science cannot offer such proof. Interesting for its complete omission of Crowley. Magic and the True Name These exorcists had a magical view of exorcism

CATHOLIC ENCYCLOPEDIA: Occult Art, Occultism

We don't know or can't explain it so it must have been God. Text is clean and unmarked. Mineola, New York: Dover Publications, Inc.

Magic Supernaturalism and Religion Seligmann Kurt

Female sensitivity to the spirit-world also helped establish the supernatural tale as the reserve of women writers, including fine contributions from Margaret Oliphant to Vernon Lee and Edith Wharton.

Biblical Worldview: Magic and the All

This article first appeared on offthegridnews. Some rather strident voices on both sides see little room for compromise.

PPT

The goddess Hecate, who was thought to preside over magical functions, was originally a foreign deity and was probably introduced into Greek mythology by Hesiod.

CATHOLIC ENCYCLOPEDIA: Occult Art, Occultism

For tens of thousands of years — in all parts of the inhabited world — magic has been practised and has coexisted with religion and science, sometimes happily, at other times uneasily.

Superstition and the Supernatural

The great mythical sorceress of the Odyssey is Circe, famous for the well-known trick of changing men into beasts Od.

Does Science Suggest the Existence of God?

The historical relations between these sects and the beliefs about reincarnation that were characteristic of , , , and of the as well as the Indian religions have been the subject of recent scholarly research.
