Introduction to Drawing

If you want to get fancy, chop off the top and bottom of each circle as if the eyelid was covering it.

Drawing for Beginners: 26 FREE Basic Drawing Lessons

Lip shape and size will vary from person to person so the width, height, and shape can be changed as needed.

ARTT 100

For drawing the figure in the classroom or studio, charcoal is undoubtedly the best medium for serious study. Cezanne considered shapes to be the basic forms; the sphere, cone, and cylinder. Chinese and Japanese use the same types of calligraphic lines and brushstrokes in their paintings.

Introduction to Drawing Skills Online Short Course

However, the fact that charcoal has to be sprayed with a fixatif to keep it from smearing does not make it as satisfactory a sketching medium as pencil or pen. This time you can look at your paper.

ARTT 100

Finally, split this bottom quarter into thirds with horizontal dashes. Your expert instructors will gently guide you to an understanding of drawing fundamentals. Also, darken a small area underneath each eye.
