Sachi Koto

It is ubu, with kiri yasurime and one mekugi-ana. But, whereas Japan's traditional engagement with Chinese civilization was conducted in terms of a unilateral debate, now Japanese scholars and thinkers could read directly what Westerners, themselves fascinated by the 'exoticism' of Japanese culture, said and wrote of them. However, concomitant with the decline of linguistic competence in Chinese, texts were increasingly read in a peculiar mixed style called hentai-kanbun, which made it possible to read out a Chinese text in Japanese by means of adding Japanese desinences and particles as diacritic signs and transforming the Chinese word order into a Japanese one by means of reversal and return marks.
