Medieval Drama: Staging Contexts

Later 17 th century; slightly out of period. After all, the Gibson Girl was always dressed in the latest, most fashionable mode.

1900

More often, if a woman desired a specialized cycling costume, she chose a skirt with a deep pleat in the back to allow her to sit on the bicycle while still appearing to be wearing a skirt.

Stage History

The Literature of Lesbianism: A Historical Anthology From Ariosto To Stonewall New York: Columbia University Press, 2003.

The poor in the 17th century in France (II)

They argued for a religious and political redistribution of power into the hands of Bible- and pamphlet-reading pastors and princes. Figure 2 depicts all these types.

1890

The place-and-scaffold play is also the type for which we have representative contemporary staging diagrams. Twenty times more numerous than urban workers, the peasants had to endure the inclemency of nature and the corresponding fluctuations of the market.

Children aren't starting puberty younger, medieval skeletons reveal

She was slender with a nipped waist, but still attractively voluptuous.

Medieval Drama: Staging Contexts

In: Wall, Richard, Hareven, Tamara K. For example, Jesus' Tomb in East Anglian artwork is often represented by a stone tomb chest, which was a preferred burial method for the well-off in the period.

Children aren't starting puberty younger, medieval skeletons reveal

But medieval teenagers took longer to reach the later milestones, including menarche. Like young girls, boys wore long stockings to cover up the rest of their leg.
