Battle of Sheriffmuir

A Jacobite force then invaded England.

ISTG

On the 1 September 1715, after escaping from London to the Highlands, John Erskine, the Earl of Mar raised the Jacobite standard at Braemar and the rebellion began. Accepted by all authors as a traditional, pitched battle.

Documents relating to estates seized following Jacobite rising of 1715 published online

A number of the entries only use first names. In the Lowlands, as well as in northern England, the most fervent supporters of the Jacobite cause were either persecuted Catholic gentry and disempowered Episcopalians.

Who Were the Murrays? The Family Behind the 1715 Jacobite Rising

The son of an Italian gardener, he had risen to become a prince of the Church and principal adviser to Philip V of Spain. Nevertheless General Mills was suspicious and advanced cautiously along the hedge-lined roads towards Preston expecting an ambush.

Why Did the Jacobite Rebellions of 1715

Wills outright rejected any treaty with rebels. Associated with this religious-ideological hostility to the status quo there was, furthermore, a gathering conviction of divine sanction for their cause within the Jacobite community, which in turn predisposed the Scottish Jacobites to believe the stream of reports from England of social disorder verging on civil war that arrived in Scotland in the spring and early summer of 1715. Unhappy with this situation, he went back to his castle at Braemar and raised the royal standard of the House of Stuart on 6th September.
